<sup>1/</sup> Fees do not include the Caltech Student Health Insurance Plan. Students are not required to purchase health insurance through Caltech provided they have coverage through a comparable plan. The plan will cost \$2,463 for the 2017-18 school year -- \$821 per Insurance Term. Financial aid recipients who enroll in the Caltech Student Health Insurance Plan may request that the expense be added to their estimated cost of attendance by completing the **Financial Aid Request for Caltech Student Health Insurance Plan** form. Students will be offered grant assistance to cover the additional expense.

<sup>2/</sup> All entering undergraduate students are charged a one-time, \$500 Orientation Fee in addition to the mandatory fees applicable to all undergraduate students.

<sup>3/</sup> The Housing/Room rate included in this estimated cost of attendance is a calculated expense based on the weighted average of all available undergraduate, on-campus housing options.

<sup>4/</sup> A Travel Allowance to (partially) offset the cost of two roundtrips from a student's primary residence may be added to this estimated cost of attendance **for U.S. citizens or eligible non-citizens** who reside in the U.S., associated U.S. territories, Canada, or Mexico.
